- Over 5 million candidates and growing
- Identify the right candidates with a variety of filters
- Automate your search with custom alerts

**NEW! InstaMatch**  
View matching candidates

The screenshot displays the InstaMatch search interface. On the left, there are several filter sections: 'Keywords' with a search box and tags for 'Perl' and 'NOT Python'; 'Location' set to 'Santa Monica, CA, USA'; 'Radius' set to 'within 30 miles'; 'Job Title' with a search box; 'Previous Companies' with a search box; 'Freshness' set to 'posted any time'; and 'Minimum Education' with radio buttons for 'Any', 'High School', and 'Some College'. On the right, a list of 12 resumes is shown, with the top three visible: Ryan C. (Santa Monica, CA), Sara M. (Los Angeles, CA), and Sandip P. (Los Angeles, CA). Each candidate entry includes a green bar indicating an 'Excellent Match' and a list of their roles and education. A circular 'InstaMatch' logo is overlaid on the bottom right of the results area.
